Dedication

This past November, a new principal came to Larkin — Dr. Brad Allison. Born in San Diego, Dr. Allison moved to Mount Prospect, Illinois, when he was in high school. Dr. Allison attended Carthage College, where he received his Bachelor's degree in History and Economics. He then moved on to the University of Wisconsin where he earned his Master's degree and his Doctorate. Dr. Allison taught History and Economics for five years in Kenosha, Wisconsin. Then he became an assistant principal for three years in Mukwonago, Wisconsin, and was principal in Middleton, Wisconsin before coming to Larkin. Dr. Allison went into education because he enjoys working with young people and he appreciates their energy. His hobbies include running, swimming, sailing and bicycling. Dr. Allison is married and has two young daughters. Welcome to Larkin, Dr. Allison. We hope your years here will be memorable.

Elgin, Memories And Moments

Few people realize the beauty of Elgin.

The Kemmons Auditorium provides a wide variety of entertainment for Elgin residents.

There are many clubs and organizations that help to maintain the beauty of Elgin.

The Fox River provides many pleasurable hours of pastime leisure for Elgin residents.

On April 3, 1835, James T. Gifford arrived at the site of the future city of Elgin. As the founder of Elgin, his log cabin was used as the town's first church, school, and post office. In August of 1864 Elgin became the home for the world's largest watchmaking complex, The Elgin National Watch Company. During the early 1900's Elgin became widely known for its eight and a half mile road race course. Tornadoes were not common in the Elgin area. So when a tornado struck on March 28, 1920, many people were found unprepared. Civic pride helped Elgin to win the "All America City" award in 1956. Elgin has had a very impressive past history, and today Elgin is growing bigger and better to help maintain an impressive future.

Sesquicentennial

Happy Birthday Elgin! 150 great years were celebrated in '85. Elgin began the year by adding maroon and white signs to the light poles celebrating "The Bride of Elgin." Elgin also added new street signs, including signs directing you to the two hospitals in the area. Mayor Verbic began a project to clean up Walton Island. The Sesquicentennial Parade capped it all off on September 16th.

Faculty/Bears Basketball Game

On February 19th, the Chicago Bears arrived at Larkin. Over 2000 students and families filled the LHS gymnasium to watch the Superbowl champions Brian Baschnagel, Pat Dunsmore, Andy Fredericks, Kurt Becker, Colton Thomas and Dennis Lick play our staff coached by Mr. Jim Schultz. Faculty members were Tim Jones, Jim Dinkheller, Roger Stevens, Rick Schuster, Doug Elliott, Monte Phillips, Corey Toppel and Mark Taffer. The game ended at 1:15 with the help of some creative scoring techniques. The LHS members sponsored the game.

Talent Show

Larkin's first annual talent show was a huge success. Prizes were as follows: 1st prize "The Fu Sisters" (Mary Bowman, John Byrne, Lisa Touchberry, Carl Holman and Doreen Whitman) who sang "The Boogie Woogie Bugle Boy" 2nd prize Eric Rojas who sang "Friends" 3rd prize Tammy Schwartz who danced to "The Conga." Honorable mention went to Mike Morgan (baton twirling) and Carrie White and Lexie Rayner (dancing). The proceeds from the show were used to purchase a mirror globe for the acting department and to support future shows.

Safetypup!

With warnings like "Beware and be aware of dangerous people near your home" and "Always keep your home key in a safe place" Safetypup really helped me out this year. Now thanks to Safetypup I know if I am forced to go in case of an emergency I know who all the bad people near my house are and I can let them in each if they offer me candy. I also keep my homework in a shoebox tied to my belt up. Now my mom doesn't worry when she has to leave me alone and she doesn't ever get me a babysitter anymore. And it's all thanks to Safetypup. See thanks Safetypup!

Fads were wild and crazy once again. Those who felt fads were restricted to either girls or guys were strongly mistaken when a fair share of guys joined in with the girls and displayed earrings which ranged from dangling gold crosses to tiny diamond studs. Along with the earrings were the flashy but stylish collar pins which were worn with about everything from oversized sweaters to simple everyday blouses. Sunglasses were another big item throughout the year; they were worn constantly indoors and out in both the daytime and night. In addition, stirrup pants, colored from black to bright and saucy paisleys, were combined with short sweaters and long blouses hanging out casually. As soon as the weather grew warmer, or at least once the snow storms subsided, many were more than eager to show off the newly styled long Hawaiian shorts. The shorts were spectacular when it came to being bold and sporty wherever they were worn. Hair could have been described with such words as short, spiked, shaved, and anything considered "punk." Fads made the year completely outrageous and fun.

Homecoming Activities

Bad weather couldn't dampen the spirit of Larkin's Homecoming of "150 Yesteryears," a theme chosen to honor Elgin's sesquicentennial. Spirit week kicked off with Hillbilly Day followed by Sweats Day, Hat and Ribbon Day, Hawaiian Day, and finally Blue and White Day. An outside pep rally on Thursday buoyed spirit. Friday dawned cloudy and dismal, revealing wet toilet paper clinging to Larkin's trees. The annual Pep Assembly featured visits from Bruce Springsteen (Mr. Shabert), Elvis Presley (Mr. Banwart), Tina Turner (Mr. Butler), and Buddy Holly (Mr. Price). The Tackleknuckle Choir also made its annual visit to Larkin, mesmerizing the crowd with its inane lyrics. Also, the Class of '86 won the spirit stick for the fourth consecutive year. The Poms and cheerleaders also performed, raising the spirit of the crowd.

After the assembly, the parade began in the parking lot under cloudy skies. Plastic-covered floats and wet trucks paraded down Larkin Avenue past many spectators. The Class of '87 won best float, while HERO won best non-class float. That night an anxious crowd awaited the announcement of Homecoming King and Queen at halftime of the football game. Crowned were Chrs Korfist as King and Tammy Schwartz as Queen. The night peaked royally as our football team crushed Streamwood 27-0. Homecoming Week ended with the dance Saturday night as couples enjoyed a night of romance and memories. Homecoming 1986 added another great page to the history of Larkin.

Don Tucker, Mike Terrell, and James Johnston excited the crowds into a victory over the Sabres.

Father-Daughter Dinner Dance

The fourteenth annual Father-Daughter Dinner Dance was held on February 26 at the Blue Moon. The event was a complete success with over 300 people attending. The night included a buffet style dinner which was followed by a lot of dancing. As always, awards were given. They included Most Energetic Tamara and Don Gayard Best dressed Kathy and Mr. Ottinger Most Years in Attendance-Elvis Kellenberger, Most Resemblance Theresa and Mr. Moreno, and Most Handsome Father-Ron Lee. Many daughters had a hard time trying to get their fathers away from listening to the Elgin-Larkin basketball game. The popular event was sponsored by the student government

"Blithe Spirit" Is Pure Blithe

"Blithe Spirit" was this year's fall play. The main characters were played by Susan Haas, Tim Bayler, Becky Payne and Tammy Schwartz. Other actors and actresses included Mike Smith, Tracy Fletcher, and Jennifer Roome. The play, directed by Mr. Haskins, was sponsored by the Fine Arts Boosters and was performed on November 14th, 15th, and 16th. The attendance at this year's play was higher than in previous years.

Senior Trip Day

On Wednesday, May 21st approximately 300 Seniors met in front of the library to board one of the eight buses waiting to take them to Chicago. Why were all these Seniors out of school? Administrators, namely Mr. Glaser, were tired of Senior Sk p Day so they organized Senior Trip Day! So the Seniors went to Chicago, Navy Pier to be exact, to board the ship - Star of Chicago. The soon-to-be graduates sailed at 11 00 a.m. for a three hour cruise along the coastline of Chicago where they dined, danced, and had a great time. Lunch began with fruit and cold vegetable salads. Next came a buffet containing such exotic food as shark and red snapper. Cake was served for dessert. After dining, many people moved to the upper level and danced to the music provided by D.J. Ken Redmond. Others lounged on the outside decks where they spent time with friends. As the Star Of Chicago docked and the Seniors disembarked, everyone received a "Senior Trip" button from the Freshmen class.

WANTED Christopher Beans' paintings

"It's all womanhood. The man who painted this died miserably." This was one of the many quotes in the 1986 Larkin spring play, "The Late Christopher Bean." By Sidney Howard, the story focuses on a man who painted some pictures ten years previous. The family with whom he stayed are now under the vulturous eye of three swindlers who want their hands on the now valued pictures. Misadventures and scandals add intrigue and mystery to the action of the play. The Haggett's maid Abby, is the one who ends up with Christopher Bean's paintings. Under the direction of Ms. Betsy Powell, the main players in the play were Mark Daraskevich/Dr. Haggett, Cyndi Oberle/Mrs. Haggett, Tammy Schwartz/Abby, Theresa Wetterman/Ada Haggett and Becky Flood as Susan Haggett. Supporting players were Tim Bayler/Warren Creamer, Glenn Burge Tallant, Greg Hachtel/Rosen and Mike Smith as Davenport.

'Tender Years' Makes Treasured Memories

"Let me see your pictures," was the phrase heard frequently after Prom, and Friday, April 25th seemed especially designed to be a day and night for picture for taking. The 1986 Prom, Tender Years, began at 6:30 as the normally jean-clad students arrived at Indian Lakes Resort dressed in outfits that had taken weeks to coordinate. Everyone dined on succulent prime rib baked potato, green beans almondine tossed salad, rolls, and chocolate mousse for dessert. At 9:00 the dancing began. Throughout the evening Lester the balloon maker delighted people by making them a balloon figurine to keep as a memory of the evening. Regrettably, the night came to an end, and as the last song was being played and kisses were being exchanged, the "Tender Years" of many people were coming to a close.

Graduation Activities 1986

The activities surrounding Graduation 1986 left many memories for Larkin's Class of 1986. Baccalaureate featured sad songs from many Senior choir members, leaving many graduates in tears. The Seniors were also surprised when Mr. Peters was introduced as the guest speaker. The traditional slide show brought back both good and bad memories of the Senior's years at Larkin. After the ceremony, hugs and tears were exchanged by many. The service set the stage for June 6, the actual graduation of the Class of 1986. Valedictorian Ted Humphrey gave an innovative speech to his peers and student speaker Rachel Kellenberger cast wisdom upon her classmates with her oration. Class President Jodi Glaser then passed the gavel to Junior President Cindy Rabe. Finally, Dr. Allison presented the Class to two members of the School Board, who presented the students with their diplomas. Afterwards many went to celebrate and then move on to bigger and better things. Congratulations to the Class of 1986!

Graduation Awardees

The Larkin High School Senior Recognition Assembly for the class of 1986 was held on Tuesday, May 20. There were many surprised and happy faces when names were called to receive awards and scholarships. The Senior class presented a sound system and turntable for D.J.s to use during dances as their gift to the school. National Honor Society also gave the library many books. The 1986 yearbook was presented to Dr. Allison by Scott Davis and Lynn O'Connor, this year's co-editors. The Senior Class also gave a special gift to Dr. Allison—the four spirit sticks the Class of 1986 had won.

1967...1986

Highlights of 1967

July 8, 1967 — Billie Jean King wins all three women's championships at Wimbledon — singles, doubles, and mixed doubles

July 23 — Worst race riot in history in Detroit leaves 43 people dead

September 8 — Surveyor V launched; it lands on moon 65 hours later

October 21-22 — Over 50,000 people march in Washington to protest Vietnam

December 14 — Biochemists announce they have produced synthetic DNA

December 31 — Green Bay and Oakland qualify for Super Bowl II by defeating Dallas and Houston

January 22, 1968 — Apollo V launched into

space from Cape Kennedy

February 6-18 — Tenth Winter Olympics in Grenoble, France

March 5 — Explorer XXXVII launched into space

March 27 — The first man in space, Yuri Gagarin, killed while test piloting

March 31 — President Johnson orders bombing north of 20th parallel in Vietnam to cease

April 4 — Martin Luther King, Jr is assassinated in Memphis, Tennessee while leading striking sanitation workers. A week of racial rioting follows that leaves 46 people dead

April 11 — Civil Rights Act of 1968 signed by President Johnson

April 23-30 — Students at Columbia University take over the campus, hold hostages, and loot President Grayson Kirk's office

April 26 — 12 megaton bomb exploded in Nevada, among the largest nuclear explosions in the world

June 5 — Senator Robert Kennedy shot to death in Los Angeles after claiming the Democratic presidential nomination

June 13 — Eight communications satellites hurled into space by Titan III rocket

Seniors

During the year the senior class sponsored a back to school dance for the entire school to attend. For fund raisers the senior class sold Larkin sweats during homecoming week and delivered carnations on Valentines Day. For homecoming the Senior float was Larkin Royals, Our Time Has Come which won best class float. The senior class also won the spirit stick at the homecoming assembly, which made it four years in a row. The senior class of '86 was the first freshmen class to attend Larkin High School. They have shared many memories and will always cherish their years at Larkin High School.

Jodi Glaser, President, Lisa Cork, Secretary, Chris Martin, Vice President, Irma Doleen, Treasurer

Seniors returning from the Homecoming Parade manage to give a smile despite the rain.

Staring sadly at the scoreboard Jerry Gurley contemplates the Royals loss to Rockford Jefferson.

Cindy Rabe as President, Dawn Stennes — Vice President, Kirsten Jensen — Treasurer, and Nancy Weiss as Secretary, led the Junior Class to a successful 1985-1986 year. The class sold candy sticks for funds and held a dance in early February. This year for Homecoming they won for "Best All-around float". As in past years, the Juniors held the traditional Prom for the seniors. The Junior class was under the supervision of Mrs. Gannon and Mr. Stump.

1969...1988

Highlights of 1969

1969, big league baseball's 100th anniversary year was one of change and excitement. The national league expanded to San Diego and Montreal, the American League was split into Eastern and Western divisions, and playoffs for league pennants were inaugurated.

September 22 — San Francisco Giants outfielder Willie Mays hit his 600th home run, becoming the second player to reach that mark.

October 1 — An AWOL U.S. Marine hijacked at gunpoint a TWA Boeing 707 flying out of San Francisco and ordered it

flown to Rome.

October 15 — Millions observed the first Vietnam Moratorium Day with prayer vigils, candlelight processions, mass meetings, and black armbands.

October 16 — The New York Mets won the World Series.

November 19 — Astronauts Conrad and Bean became the 2nd team of men to land on the moon.

January 11, 1970 — The Kansas City Chiefs won Super Bowl IV.

May 4 — At a campus antiwar demonstration, 4 students were killed and 9

wounded.

May 15 — At Jackson State College, Miss., 2 students were killed when city and state police opened fire on demonstrators.

May 30 — The Indianapolis 500 was won by Al Unser.

July 3 — The National Disease Center reported that no known deaths from polio were recorded in 1969.

Aug. 3-5 — Hurricane Celia swept across the Gulf Coast, killing 26 persons in Texas and Florida.

The class of '88 sponsored the Christmas Dance held on December 19th. Class officers were Becky Flood, President; Kameron Duy, Vice-President; Jenny Collins, Secretary; and Shannon Flannery, Treasurer. For their Homecoming float which won Principal's choice, the sophomores constructed a float as a take-off on Elgin Sweeper Company by using the theme "Royals Make a Clean Sweep."

Sitting: Kameron Duy, Vice President. Second row: Jenny Collins, Secretary, Shannon Flannery, Treasurer. Becky Flood, President.

1970...1989

Highlights of 1970

September 3, 1970 Vince Lombardi, one of America's most successful football coaches, died of cancer in Washington D.C. October 10-24, United Nations celebrated its 25th anniversary in a commemorative session. November 14 Southern Airways DC-9 jet crashed killing 75 persons, including all 44 members of the Marshall University football team and their coaches. December 3, Senate voted to kill funds for the controversial Boeing Supersonic Transport Jet Plane, a project strongly opposed by environmentalists. January 6, 1971, two biochemists at the

University of California Medical Center in San Francisco succeeded in synthesizing the hormone responsible for growth in the human body. February 20, an emergency warning of a nuclear attack was broadcast by mistake in the U.S. in place of the Saturday morning test alert. March 23, a bomb exploded in the Senate wing of the U.S. Capitol. U.S. Congress gave its approval to a constitutional amendment lowering the voting age to 18 in all elections. April 26, U.S. Presidential Commission recommended admission of China to the U.N. May 1, Amtrak, the Na-

tional Railroad Passenger Corp., took over operation of most U.S. passenger train. May 30, U.S. launched the Mariner spacecraft toward Mars. June 13, President Nixon ordered a drive to secure jobs and job training for Vietnam Veterans. July U.S. Postal Service was inaugurated as a semi-independent government agency. August, legislation providing \$250 million loan guarantee to Lockheed Aircraft Corporation to prevent bankruptcy was passed by Congress and sent to President for signature.

Sitting: Bonnie Hettinger, President. Standing: Barbi Beth, Secretary, Tracy Anderson, Treasurer and Jacey Jensen, Vice President.

The freshmen started out the school year great and kept their spirit up all year. In September, the class of 89 elected Bonnie Hettinger as President; Jacey Jensen as Vice-President; Barbi Beth as Secretary and Tracy Anderson as Treasurer. One of the fall fund raisers supervised by the officers was the selling of taffy apples at the freshmen football games; later, the class sold Larkin pens. The freshmen also sponsored the Halloween dance which took place on November 1st "Cyrus Larkin's Farm" was the theme of the freshmen float in the Homecoming parade. As a gift to the seniors, they gave cruise trip souvenirs which were a surprise.

Royal Politics Means Student Government

With the support of their President, Rachel Kellenberger, Student Government sponsored more than their fair share of events. Their well-organized functions included Student Exchange, Blood Drive, Computer Dating, Mother Son Brunch and Father-Daughter Dinner Dance. Student Government had several fundraisers such as dances and candy sales to meet their budget so that they could continue to do service for Larkin.

Tricia McCoy is more than happy to learn a few new steps from her dad at the Father-Daughter Dinner Dance.

Advisory Board is the cabinet which guides the actions of Student Government. It meets once a week to form an agenda for the Student Government meeting the next day. Advisory Board representatives and president, Rachel Kellenberger, are chairmen of the Student Government committees: Faces in the Crowd, Student Exchange, Spirit Weeks, Faculty Relations and the Calendar Committee. The representatives are Rachel Kellenberger, Shelly Fredricks, and Scott Sawlis; Juniors: Melissa Kellenberger, Tina Catsadimas, and Cindy Rabe; Sophomores: Lorri Cargill, Bill Pierros and Tim Bowen, Freshmen: Rick Glover and Jeremy Brown.

Presidential Classroom consists of a group of students who have the opportunity to visit the nation's Capitol. Six students were chosen after they submitted applications to Mr. Jenkins, sponsor. The students were placed in three groups of two people each and sent to Washington one group at a time. Students visited the Smithsonian Institute, the FBI building, Congress, the Senate Office Building, the Vietnam Memorial, and many of the other Capitol attractions.

The Vietnam Memorial is one of the monuments that Presidential Classroom saw in Washington D.C.

NHS Induction Swe Is Membership

The National Honor Society's annual induction increased membership in the society to 54. Officers were President Ted Humphrey and Vice Presidents Jen Kelly, Jeff Canfield, and Rachel Kellenberger. The Society sold M&Ms to raise money for member pins and the gift to Larkin. NHS took a field trip to Chicago to see the play "Cats" and had a Spring picnic with members from Elgin and Streamwood. Larkin's Society is sponsored by Mr. Caldwell and Mrs. Henrikson.

The NHS pledge is recited by new inductees.

Front Row: Bret Mitchell, Mark Herold, Kurt Kintner, Mike Kuehl, Mike Hays, John D., John Mink, David Mentjes, Linda Atchinson, Wendy Welsh, Cindy Doser, Tammy Nordine, Tracy McIntire, 2. T.E.A.M.S. Excels And Office Education Gains Skills

T.E.A.M.S. Front Row: Ted Humphrey, Aaron Rogers, Mike Hayashida, Jeff Canfield, Wendy Welsh, Kirsten Jensen. Second Row: Peter Weston, Dean Mentjes, Scott Marean, John Byrne, Willie Ducro, Mr. Schmidt, Mr. Rhode.

1985-1986 proved to be a good year for T.E.A.M.S., the acronym for Teams Engineering Aptitude Math and Science. Physics teacher Mr. Schmidt and Chemistry teacher Mr. Rhode coached this year's team to 1st place in district and 2nd place in Regionals. One of the outstanding students of this year was Jeff Canfield, who placed 1st in Regionals and District and then went downstate. As quoted from Mr. Schmidt, "They were the hardest working team we've ever had; they've come a long way. They did a terrific job. And with students Pete Weston, Kirsten Jensen, Mike Hayashida and Aaron Rogers, this will give us a good nucleus for next year."

Led by Mr. Nosbisch, Office Education is a vocational class which offers hands-on training in a professional office. To join office education, one must take record keeping, accounting, shorthand, and two years of typing.

Office Education Front Row: Beth Tobin, Beth Bradley, Michelle Hall, Cindy Skinner, Pam Koski, Jennifer Brunner. Second Row: Sarah Bauer, Jennifer Nelson, Katherine Roberts, Kim Moon, Kristy Wylie. Third Row: Beth Wharton, Latrice Hoff, Diane Schmicker, Angela Kenny, Tamara Gaylord, Dee Fleenor.

Keeping a steady typing pace, Jennifer Nelson advances into her next job assignment.

Cindy Skinner ponders over the instructions for the new job.

Pam Koski talks to Michelle Hall about the prospects of employment in an office career.

German and Spanish Clubs Are Active In Languages

Spanish Club started out the year with the successful sale of candy and locker mirrors. A pinata party in December, along with a picnic in the spring and a formal dinner in a Spanish restaurant were among the activities in which this year's members participated. Señor Barth feels that the Spanish club had an interesting and successful year.

The German Club's year was a productive one. Led by Mr. Ottinger, the activities included a trip to River Forest High School for the "Jirder Abend" concert. Following the concert was a German-style dinner at the Ratskeller Restaurant. For Christmas, a dinner was held at Dieterle's Restaurant. Profits from candy sales were high. Advent calenders, Carmello bars, and various other projects helped bring in money for their treasury fund. And, as in the past, the German Exchange Program was in full swing. The Exchange students visited Fermilab, went Roller Skating at Mainstreet, U.S.A. and visited Elgin Community College. A Chicago presentation of "Here's Chicago" was hosted at Water Tower Place. The program ended with a pot-luck farewell in the library.

Front Row: Susan Burge, Kim Hoskins, Ricardo Camacho, Cindy Rabe, Nancy Weiss, Kirsten Jensen, Angie Morgan, Mary Kay Kolesar, Jim Krajecki, Charlie Conklin, Jeff Behnke, David Parr, Mark Johnson, Ken Bartholomew. Fourth Row: Michelle Peron, Agatha Sant, Jennifer Sano, Jana Asp, Carol Leetzow, Tina Catsadimas, Cindy Bankson, Liz Harker, Dawn Harker, Mary Harker, and John Harker. Back Row: John Harker.

The French Club's fundraisers included the sale of jewelry, Christmas ornaments, and mistletoe. The profits from these fundraisers were applied to their scholarship fund. In the spring, they went to the Annual International Dinner and a field trip to a French restaurant in Chicago. The officers were Tina Catsadimas, President; Priti Amin, Vice-President; Michelle Desbles, Treasurer; and Tracy Fletcher, Secretary. Mrs. Bald advised the French Club this year.

Latin Club took first place in a state competition held at the University of Illinois. They also raised money by selling M&Ms and sponsoring a Toga Mixer in March. The annual Roman Banquet was held in November, and the students dressed in appropriate Roman outfits. An end of the year picnic and Great America trip capped off an eventful year. Officers were: Consules-Kim Huntington and Tim Bower; Praetor-James Banks; Scriptor-Andrew Bosch; and Quaestor-Jeff Channon.

Amy Sienko, Kim Huntington, Mary Tobin add some atmosphere to the banquet.

German Students Exchange Their World

Fifteen students from Munich, Germany came to Elgin from March 18-April 8. Their stay was filled with field trips, parties and various other activities. Some of the students had a chance to see other parts of the United States including Florida, Wisconsin, and Springfield. The students were fascinated by the many fast-food restaurants, not being restricted in doing things, and the grandeur of supermarkets. Activities such as bowling, miniature golfing, movies, endless parties, and visiting Colonial ice-cream parlors were done almost every night. The German students returned their hospitality with hosting sixteen of Larkin's juniors and one senior from July 9-July 30 in their homeland.

Located at Old Elgin High, this is the 35th year WEPS has been in use. Mr. Sprague teaches students in Radio I class basic operating skills while Radio II students are instructed more individually. This year a new class has been added called "Visual Components of Radio Class" which teaches students the visual concepts of television and films. Mr. Sprague feels that this program is interesting as well as educational for the students.

Ski Club went on three trips during the winter-December 11, January 22, and February 11, to Wilmont Mountain in Wisconsin. The trips were scheduled after school from 3:15 p.m. to 11:00 p.m. The students paid their own way, which was twelve dollars, for lift ticket and bus. The ski trips were again chaperoned by Mr. Newton and Mr. Mies.

Students Service School

"Hello, student speaking. May I help you?" This is often the way callers are greeted over the phone by one of the many pages who services the school. This includes interested students who have elected to serve the attendance office, guidance office, main office, nurse, academic secretaries, or the physical education secretary. Instead of sitting in study hall or commons, these students provide much service to these departments delivering messages, collecting attendance rosters, and filing papers.

Julie Weston helps keep all the daily attendance records complete.

H.E.R.O. Enjoys Another Successful Year

H.E.R.O. (Home Economics Related Occupations) has been very busy this year. Eleven students attended an over-night leadership rally at the Hamilton Hotel. Seven students participated in sectional contests. Others attended state contests. All the students and employees attended an employer appreciation banquet on May 14th. H.E.R.O. had a jewelry sale, a cook book sale, a gift catalog sale and a candy sale. H.E.R.O. also won the best non-class float for homecoming. H.E.R.O.'s theme was "We are the heroes that build the future." The second hour President was Lisa Abbott; Vice Presidents were Rose Perez and Sherri Payne; Secretary was John Spencer; Treasurers were Matt Lobben and Amy Kross. Participants in the Shakespeare Festival relax after a hard day's work

Shakespeare Lives Again

The annual Shakespeare Festival was held on May 16, 1986, in the library and the Renaissance Fair, due to bad weather, was held on Saturday, May 17, 1986 in the commons. The festival was sponsored by the acting classes with Mrs. Buchert as the coordinator and Mr. Price and Ms. Campbell helping out. There were approximately 50 people who worked on it. Students performed scenes from Romeo and Juliet, Hamlet, and Midsummer's Night Dream. The student body came to see the performances during their English classes or free hour.

Larkin Band has been very active this year. For fund-raisers they sold wrapping paper, candles, and collector's items. The entire band went to Abbott Junior High School to play and the Jazz Band went to Gifford Elementary School. Although the band has become more complex, they wish to improve in performance. Tracy Broeker, a sophomore band student, said, "Band is always enjoyable as long as you have a serious attitude toward the music." The band officers were Tracy James, Karl Campagna, Curt Campagna, Jen Kelly and Sherri Bohlig. Junior Tina Laughlin took first in state for percussion.

Majorettes and Twirlers Keep Time to the Bands Beat

The band played a key part in the major majorette and twirlers' performances. Performing at both pep assemblies and games, the band cheered the players on to victory. Helping to direct the band were Majorette Chris Moore and Major Scott Sawlis. To become a majorette, they not only had to participate in the band, but were required to tryout for their positions. The twirlers, Michelle Stading and Nicole Morgan, gave outstanding performances this year. Nicole Morgan received an award for the number one twirler in Illinois. The twirlers added the final touch to the bands' activities.

The Larkin Orchestra has had another great year. It performed concerts on November 21, February 20, and May 22. The orchestra has worked very hard this year and it showed in the quality of these concerts. The outstanding students were Mike Hayashida, Tracy Michniewicz, Steve Cohen, Henry Chan, Jeff McEvoy, and Marilyn Mayfield. The orchestra's goal for next year is an increase of the audience size. It attended the University of Illinois Orchestra Consortium again this year.

Maariga s Crescenao To Florida Championship

The Madrigal Singers sang in about thirty performances for community and civic groups. The singers participated in the I.H.S.A. Solo and Ensemble contest, receiving a high rating. From March 20-23 the group traveled to Orlando, Florida and participated in the Great Southern Contest of Champions, where they won the Grand Champion Choral trophy and the first place Madrigal trophy. The Madrigal Singers sold fruit in the annual citrus fruit fund-raising campaign in November. Funds raised by the individuals went toward the expense of the Florida trip.

Concert Choir Sings in Style

Concert Choir studied and performed music of many different periods and styles. They have succeeded in developing musical and music reading skills through the year, and also to learn and perform a varied program of music. At Christmas, students sold citrus fruits to raise money and on April 16, students went to Wheaton College Choral Symposium. Another field trip was to the Fox Valley Festival in West Chicago on April 27 and 28. Mr. Phillips directed Larkin's Concert Choir this year with success. Choir officers were Tammy Stewart, Cindy Olsen, and Amy Muntz.

Freshmen Chorus Harmonize

During the year, the freshman chorus studied the fundamentals of music and singing, and they developed tonal acuity. The chorus also worked toward producing good choral sounds. A variety of musical styles have been studied, from sacred to rock. The freshman chorus performed in the Christmas concert and the Spring concert.

Write on, Quill and Scroll and Creative Writing

The purpose of Quill and Scroll is to give national recognition to academically talented students in Journalism. Larkin's chapter was chartered in 1984. The students in Quill and Scroll have served consistently and conscientiously on the newspaper and yearbook staffs while also doing well in other subjects. This year, seventeen students met the requirements for the organization.

This year's Creative Writing class again published their annual literary magazine titled "Return to Forever." It was sold for \$2.00. It received a good representation of creative writing from the class and the entire school. Ms. Wharton was in charge of the class while Mrs. Shedivy was on maternity leave. Layout design and specifications were done by the staff and the local printing company.

They attended a newspaper camp at Northern Illinois University in April as well as continuing to send students to newspaper camp at the University of Wisconsin, Whitewater.

High Tech Paints a New Picture

Two stubborn minds with disunited ideas led to two different yearbooks. Yes, we had a divided staff this year. We could never seem to agree on much, but we managed to pound out compromises and produce a yearbook under two different covers. We offer next year's staff the challenge of doing not only their copy, but also their layouts on our new computer. The yearbook staff entered the computer age by using a COMPAQ computer for most of our work. This advancement made for some frantic deadline work throughout the year. However, the staff came through (more or less). Everyone loved us editors, especially around deadline time. Despite all the grumbling we had to take, we still managed to have a good time.

1985-1986 Sports

The football team gave Larkin a 27-0 homecoming victory over Streamwood. A loss to St. Charles set them back to a record of 8-1, 2nd in conference.

Sophomore football ended the season by shutting out St. Charles and Elgin.

Cross Country runner Tracy Webb came in 12th in conference with a time of 16:58. Sean McNulty qualified for the sectional meet.

Girls' Tennis Team took 4th in conference. Number one doubles team Kirsten Jensen and Jane Freedlund won their first two rounds at districts, qualifying them for state.

Mike Duchaj became new athletic

trainer for U-46 high schools.

Varsity Golf Team ended with a 4-3 conference record; at the conference tournament, Blaine Kummert shot an 82 and Jeff Oberle shot an 83.

Linda Petersdorf and Kam Peterson finished 6th and 22nd respectively in state bowling competition.

Soccer became an official sport for Larkin. Senior Mike McNulty — 2nd team all-conference. Senior Ted Humphrey — Honorable Mention all-conference.

For the second consecutive year, wrestlers Tim Johnston and Anton Kossakowski qualified for state. Then Anton did something no one else in the history of Larkin has

ever done — he became number 1 in the state at his weight of 167.

Kurt Wright was the sectional champion and 5th ranked in state for swimming.

Varsity Volleyball finished 2nd in conference. They ended the season with a conference record of 11-3. The girls were the only team in the conference to beat St. Charles.

Jennifer Kelly and Jenny Zils were state qualifiers for the swim team. The varsity finished the year with a final record of 2-4.

The Athletic Code of Conduct was put into effect. It standardized disciplinary action taken against athletes. It was met with mixed reactions by coaches and players.

The Royals Touchdown To A Victorious Season

"The Royal football team dominated teams throughout the season. We have never had a string of ten straight games in which a Royal squad performed better than the 1985 Royals," stated head coach Ray Haley. The excellent offense and strong defense led the team into an 8 and 2 season. The most memorable game of the season was when the Royals lost to St Charles in a driving rainstorm, 15 to 7. The team also had a heartbreaking loss to Rockford Jefferson in the State Playoffs, 13 to 10. Some of the outstanding players were Anton Kossakowski, all conference, all area player; Derek Lewis; Dave Smith; Jerry Gurley; Artise Sharpe; Ken Redmond, Tim Johnston; and Paul Haas. Sophomores Received A ough Season

Despite a lack of depth in most positions, this year the Sophomore football team fought to a respectable record of four wins, four losses, and a tie. The conference record was three wins, three losses, and one tie. Coach Schabert was impressed with his team's fighting spirit. "After we lost three straight games, we had enough character to come back and have shut-out victories over St. Charles and Elgin," he commented. Coach Schabert felt the most memorable game of the season was a twenty-nine to zero victory over Elgin in the last game of the year.

Freshmen Scored A Winning Season

The Freshmen team started out fast — winning its first four games; however, a tough Streamwood team ended the Royals streak. Through hard work, the team rebounded winning its final two games. In the finals with Elgin the Royals started out slow, but exploded for three third-quarter touchdowns. Behind the strong line play of Rick Young, Paul Snowwhite, Brad Besch, Bob Lowe and Fred Versluys, the Royal backs of Godfrey and Echois ran at will. Brian Jensen provided good leadership as Q.B. Through hard work and dedication, the team has a bright future ahead. Sophomore Coach Schabert can look forward to this team performing well for him next year.

Soccer Finishes Its Second Season

"This was Larkin's very first varsity season, and it was anticipated that the team would be a little behind some of the schools with established programs. Although not many games were won, a very solid foundation was set for the future of the soccer team," said Coach Schultz. Mike McNulty was second team All-Conference in defense, and Ted Humphrey-honorable mention All-Conference in offense. The strength of both teams (Frosh-Soph, Varsity) was that the teams always played with intensity and the desire to win. The most memorable game of the Varsity season was when the team defeated McHenry 5-2 for the Varsity's only win. The Varsity's record was 1-12-1, and the Frosh-Soph was 1-8-2.

Golfers Tee Off On Competition

The 1985 Golf team finished second in the Dundee Crown Invitational tournament which was their most memorable match. The strength of the team was support from the other team members even though they lacked good consistent scores. "Although golf is a highly individual sport, they worked as a team-everyone backed each other and gave their support," commented Coach Weston. Jeff Oberle, Blaine Kummert, Dan Wagner, Kent Isom, and Dick Vandersands were the outstanding seniors and participants. Cross Country Sprints To A Second Place Finish

The Boy's Cross Country team consisted of fourteen runners. Sean McNulty was the outstanding senior and qualified for the sectional meet. Returning lettermen were Alan Koshiba, Dave Towner, and Chad Stone. With good support from the underclassmen the team ran well together and finished high in several invitational meets. The team placed second in the Kane County meet, even though they had few runners.

Cross Country Runs Up Great Season

The girls' cross country team ended the season with a 6-2 record and finished sixth in conference. Coach Schwarz said of the team, "This year's team knew what their limitations would be but can see the possible potential in their remaining years. A positive attitude began to show throughout the season in many ways and some began to believe in their talents and potential for the future." During the meet against Dundee Crown, most team members set their personal best times by large margins and were extremely pleased by their performances. The team, which had a low number of participants, was led by sophomores Sharon Pelka and Tracy Webb.

Varsity Swimmers Almost Undefeated

"I am proud of the team. It was our best Varsity season at Larkin with the 11-1 record. Congratulations to the J.V. squad on their 8-4 record," replied coach Hamrin. The Varsity team placed first at the Harlem Invitational, second at the St. Viator Invitational, third in conference, third in sectionals and had first team honors at the Rockford Invitational. The team had an outstanding effort by Kurt Wright who was the sectional champion, and as state qualifier, he was ranked fifth in State. Kurt Wright, Steve Besler, Kurt Rich, Scott Hamrin, Dave Palkovic, Todd Hayward, Todd Wright, Josh Richoz, Jeff Kerber, Steve Cohen, Kirk Mies, and Mike Hahn were the returning lettermen. The team captains who were, Dave Palkovic, Kirk Mies, and Todd Hayward, did a great job during the season. The depth of the team in each event made it possible to switch the swimmers around to do or try different events. The most outstanding meet was winning the Harlem Invitational which was a ten team meet, and placing third in sectionals which thirteen teams entered however what the team enjoyed most was Christmas breakfast, and playing water polo. The new edition to the team's equipment was the swim bench which the team practiced on to build-up speed.

Swimmers Send Two To State

Sophomore Jenny Zils and senior Jennifer Kelly both advanced to state competition this year. Jenny Zils competed in the 100 yard fly and 200 I.M. Jennifer Kelly, a fourth year diver, placed sixteenth. Out of the 35 girls on the team 25 had never participated in a swim meet before this season. The varsity finished the year with a record of 10-2 and the J.V. ended with 7-5. Coach Schrauf said, "The girls worked hard and team spirit was high. The improvement throughout the season was unbelievable." She thought those elements were the major strengths of the team.

Julie Karakas waits for instructions on how to improve her stroke.

Varsity Backhands The Opposition

The varsity tennis team hosted its first invitational this year. The team lacked experience with only one senior, Stacey Catavu, first singles player. When asked about the team she said, "I felt everyone on the team worked well together. We had a successful season, due to good playing and coaching." Jodie Koehler, Stacey Catavu, and Angie Morgan all made it to the second round of districts, while Jane Freedlund and Kirsten Jensen advanced to state competition. Jane Freedlund said of going downstate, "We were very excited, but nervous about qualifying for state. We were extremely disappointed when we lost, although the competition was tough." The team ended the season with a 6-5 record.

Volleyball Nets Great Year

The varsity volleyball team did what no one else in the conference could do — beat St. Charles. The girls tied with Streamwood for 2nd in conference, with a record of 11-3. Seniors Tracy James, Karen Gallagher and Karyn Krogh played a large part in the success of the season. Other returning starters were Joni Van Winkle, Julie Kovacs, and Sherri Schreiber.

Volleyball Sets Up Opponents

The Junior Varsity volleyball team placed third in conference. The girls played some difficult teams and ended the season with a 9-5 record. They went undefeated at the Glenbard North tournament, taking first place. The team was coached by Robin McNutt.

The Freshman team finished with a conference record of 9-6. Coach Nothnagel said of her team, "Toward the middle of the season we were able to run a multiple offense, which is an accomplishment for a freshman squad." The team worked well together and played a very good match against first place St. Charles in the last game of the season.

Poms Style Unquestionable

Although rain poured down on the nights of most Larkin football games and caused the field to become a muddy mess, the spirit of the squad could not be dampened. During basketball season the girls performed their half-time show to such songs as "Dangerous," "Photogenic," and "The Heat Is On." Larkin was not disappointed with the interesting routines the girls put together. A tradition of being able to dazzle crowds and show their style has always been upheld by Larkin poms, but this year was extra special to Chris Martin. Captain, Becky Simpson, Co-Captain and the eighteen other talented girls on the Squad. Thirteen of these girls arrived new to the squad this year, while seven were returners. In the spring, the girls raised money by selling M&Ms, which gave them the funds necessary to attend summer camp at Northern Illinois University in July where they learned many new moves and techniques to prepare for the upcoming season. While at camp, Chris Martin received two individual awards, which allowed her to participate in the Aloha Bowl in December. Together, the squad won the spirit stick and took third all around. They then sold self-watering flower pots to pay in part for new uniforms.

What, What, What Did They Say...

The study of Cistic Fibrosis benefited from both the Varsity and the J.V. cheerleading squads; all the girls participated in a bowl-a-thon to raise funds for research. In early summer, the squads had a car wash to help pay for camp. Once there, Varsity captain Tammy Neubauer won a second place individual award. The squad was one of ten runners up in national competition. The J.V. girls won two third place ribbons and a second place ribbon in their competition. The squads also sold Sprees and Sweet Tarts in the fall to pay for new jackets and new uniforms. Tee-shirts were then sold by the Varsity to help with other funding. Kecia Wilson was Varsity co-captain; J.V. was led by Cyndi Oberle and Becky Jurs. The captains of both squads thought that all the girls were very talented and they had a fun-filled, exciting year.

Varsity Numbers Small, Wins Few

One of the team's greatest weaknesses was the small number of participants. Due to this lack of players, two sophomore girls were moved up to the Varsity level, and all the girls were called upon to play many different positions. Team strengths included the outside shooting skills of Sheri Schrieber and Kathy LaRue, the rebounding of Karyn Krogh, Kristen Johnson, and Kathy Waugh, and the ballhandling of Tami Long. These strengths allowed the team to play equally well against zone and man-to-man defenses. The girls lacked team speed, which made it difficult to fastbreak and tough to play anything but a zone defense when at times a man-to-man would have been more effective. The girls played a tough game at home against Eighn, losing in double overtime. They scored a season high of 26 points against DeKalb to win at home. Varsity ended the season with an over-all record of 4-15.

Sophs Zone In

Defense was a key for the Sophomore team. The girls played mostly a zone defense, switching to a man-to-man only when absolutely necessary. They worked hard and played it well, allowing them to hold their opponents to an average of 38 points per game. It was important for the girls to be patient on offense so they could work for good shots, because they were not strong shooters. The team lost two starters, Kim Huntington, who was strong inside, and Tami Lang, a quick point guard to the Varsity mid-way through the season. This gave everyone more playing time, and all the girls contributed equally. The most memorable game of the season was at the Christmas tournament against Wheaton Central. Wheaton was a very good team, and it took a great effort to beat them. Overall the Sophomore record was 9-13.

"I'm extremely pleased with the progress of this team. During the course of the season they improved more than any other team I've coached," said Coach O'Brien. Her Freshman team ended with a winning record of 12-9. The girls won in overtime against DeKalb away and handled the pressure very well. When a Freshman player moved up to Sophomore level, girls, who then had the opportunity for more playing time, came through with solid performances. The girls were strong rebounders and quick. The Freshman team was the only level of girls' basketball to use the new smaller ball for the first time, and it was a successful change.

Varsity Basketball Rebounds

With three returning starters, all conference Dave Gutierrez, James Verbic, and Tony Soskich, the Varsity basketball team had potential for a good season. James Verbic was the team leader in rebounding and scoring, averaging 19 points a game. Both James Verbic and Dave Gutierrez received Honorable Mentions for the all state team Gutierrez was named to the UEC all academic team for 1985-1986 winter sports. Tony Soskich ended the season shooting a team-high 86% from the free throw line. The team finished up with a record 17-10 beating Elgin at home by a close two points and defeating number one ranked St. Charles on the road, 77 to 55. For the second consecutive year, the team won the Barrington Thanksgiving tournament. They played consistently and survived the loss of four reserve players that could have helped them win more games. Because of the height of the players and their excellent rebounding skills, Larkin would have benefited more with jump ball calls than the new alternating possession rule. Coach Cannata said, "I considered the season a success, although we had enough talent to win more games."

Sophs Show Improvement

Good defense was the strength of the team. They never gave up even when they were losing; they played hard until the game was over. The most memorable game was the last game of the season which the Sophomore basketball team won at home against Lake Park. Phil Schuring hit a shot at the buzzer for the win. The weakness of the team was free throw shooting, ball handling and passing. One of the players, Todd Pflueger, replied "Although it was a losing season, the Sophomore team played hard and learned a lot from Coach Jones and Coach Toppel." The Sophomore basketball team had a record of 5 wins 18 losses.

Freshmen Take Second In Schaumburg Tournament

The freshman basketball team had an average season with a record of 9 wins and 12 losses. The strength of the team was the quick ball handling which made them able to press. The players also lacked height. The most memorable game was when the freshman basketball team beat Streamwood at the Freshman Tournament.

While dribbling the ball down court, Tim Prange is concentrating on the next play.

Larkin's First State Champ

Anton Kossakowski, a senior, captured the first place title in the I.H.S.A. State Wrestling Championship finals this past season. Anton held an undefeated season of 29-0. Tim Johnston, also a senior, was a state qualifier with a 28-3-1 season. Other returning lettermen were Mike Hayashida, Lonnie Johnston, and Allen Brost. The team finished the season with a 10-6 record, placing fifth in conference, and third in Regionals, Coach Washington said, "This was a truly memorable year for Larkin wrestling as well as other Larkin sports."

Although the Sophomore squad had to forfeit 3-4 weight classes per match, the team did very well this past year, having the best sophomore record in recent years. Returning lettermen were Cory Grant, Tony Rimovsky, Bill Fishburn, and Mike Garcia. The most memorable match was winning a triangular meet at Sycamore and giving the Woodstock sophomores their only loss of the year.

Front Row: Susie Trupp, Jim Kossakowski, Matt Korfiel, Mike Hayashida, Mark Foltmer, Emie Alvarez, Chad Stone, Jerry Mader, Jeff and Tim Johnston, Allen Brost, Allen Kossakowski, Harry Hoffman, Tim Johnston, Mike Welch, Coach Ed Washington, Amy Young

Junior Varsity Well Balanced

The Junior Varsity team was well-balanced in all areas of weight. Returning lettermen were Tim Hopkins, David Hostman, and Harry Hoffman. Conference winners were Tim Hopkins, who placed first, and Tony Westerlund, who placed fourth. "Although we weren't the best, we had fun," said team captain Harry Hoffman.

Although the freshmen team had to overcome a coaching change during the second half of the season, the change brought the team members closer together to perform well at the conference meet, where Jason Winter and Ryan Callahan placed

Varsity Gymnasts Set Records

Being the most competitive and hardest working team in years, according to coach Todd, the Varsity Gymnastics team showed constant improvement. The spring floor was new this year and helped the tumbling immensely. The most memorable matches were against Streamwood and Elgin which were the Varsity team's first two wins of the season. The team captains were Scott Marean and Andy Bouque. Returning lettermen and participants were Mark Lucas - Jr., Erik Burt - Jr., Chris Whalen - Jr., Rod Schifferer - Jr., Steve Cohen - Soph., Bill Hepp - Soph. and Corey Grant - Soph. Daniel Rodriguez set the Individual Floor Exercise school record with a score of 8.90. Steve Butts was part of the High Bar team that set the team event school record at 19.50. Scott Marean was a part of the Side Horse team which set the team event record of 15.35, and he was also part of the High Bar team. Andy Bouque was part of the side horse team that set the team event record. Daniel Rodriguez placed 5th on Floor Exercise at conference.

JV Boys Gymnastics Reached New Goals

"Although there were some illnesses, injuries, and attendance problems throughout the season, both the Freshmen and the Sophomore team members set goals and reached many of the goals through hard work and dedication to the sport," commented Coach Wince. The strongest events were Floor Exercise and Vaulting; there were so many gymnasts who wanted to compete on floor that the competition was great. This in turn caused each gymnast to push the other to better performances. Injuries and a low number of participants on the Freshman and Sophomore teams forced a lot of freshmen to compete on the Sophomore level which left the freshmen team with an incomplete squad. The most memorable meet was against Wheaton North where many records were broken. The team captains were Jeremy Rechsteiner, Freshman level and Josh Richoz, Sophomore level. Steve Cohen tied the Sophomore Floor Exercise record of 7.2; Josh Richoz had an all-around high of 4.98 and set the school record on Pommel Horse of 5.2; Keith Kantorek occasionally went all-around for the Sophomore level and broke the Horizontal Bar record at 5.6. Jeremy Rechsteiner competed all-around for Freshman level and occasionally on Sophomore level, he broke the freshman all-around record at 3.98. Ossie Roby set the pommel horse of 4.6. At conference Josh Richoz placed 4th on floor exercise and third in all-around. Neal Kellenberger placed 4th in vaulting at conference.

First row: Keith Kantorek, Mario Bragg. Second row: Jeff Kim, Chris Liska, Corey Grant, Ossie Roby, Randy Richoz, Paul Schifferer. Third row: Coach Wince, Randy Outlaw, Jeremy Rechsteiner, Josh Richoz, Neal Kellenberger, Chuck Gertz, Tom Geradina.

Gymnasts "Floor" The Competition

Leadership was the key on the girls' Varsity gymnastics team this year. The team, led by co-captains Missy Kruger and Jeri Wagner, contained four returning lettermen. Norma Wood, Jeri Wagner, Tammy Menz, and Amy Muntz broke the record for team total on the balance beam. Because there were no truly outstanding state calibre gymnasts to build around, a lot of pressure was placed on the individual gymnasts to perform better than their potential. This year's team can be described as great fighters, and even when they lost they went down trying, as witnessed in the memorable Wauconda/Mundelein triangular meet.

Junior Varsity Gymnastics had an extremely strong year. Outstanding participants included Freshmen Kim Hoskins, Stacey Krane, Jill Bartholomay, Ginger Essem, and Sophomore Marilyn Maxfield. Sophomore Becky Flood broke the JV uneven bar record and was later moved up to varsity. Freshman Kim Hoskins broke the J.V. floor exercise record. Altogether, records were set on vault, uneven bars, balance beam, floor exercise, and total team score. Because of the great number of experienced freshmen, the future of the Larkin girls' gymnastics team looks promising.

New Beginning For Badminton

With the coming of a new coach, Mr Cannata, came a lot of hard work for the Badminton team. The girls showed much improvement as the amount of effort put into their games was increased. Said second doubles player Kim Block, "We got a lot stronger. Mr Cannata made us be serious about our games, and it showed in our playing. We played the competition close, and our losses were to more experienced players who had the advantage of continual coaching all the years they played. Mr. Cannata was a supportive coach. He tried to work us and make us the best we could be. We learned a lot; the season was fun and it was successful although the records didn't show it." The team's final record was 4-10. First singles player Nit Phanavanh took a 4th in conference. Third singles Amy Wilson, 4th singles Marcy Fowler, and second doubles Melissa Adams and Kim Block all took consolation brackets for their levels. During regular season the Varsity girls won an exciting meet against Elgin, 4-3.

Girls' Track Sets Pace

Although girls' track did not have one of their best seasons, the pride and endurance of its members was stronger than years before. Returning lettermen were Crystal Simmons, Sherry Bailey, Adrienne Zimmerman, and Laura Israel. The most memorable meet was the Kane County Invitational, at which the team received its overall best times. Runner Kelly Pease said, "Toward the end of the season we gained more team spirit and togetherness than we had in the beginning. When we weren't winning meets, determination and the desire to do better kept us going. I feel that next year will be a more promising season."

Boys Track Strides Toward Victory

"The boys' track team had the ability to place at meets but the team lacked members," said runner Dave Towner. Returning lettermen were John Smith, Mark Runyan, Mike McNulty, and Sean McNulty. Conference award winners were Dave Towner who placed fourth in the 3200 meter run, and Kevin Coleman who placed second in the shot putt and discus. The winner at Sectionals was Kevin Coleman who placed second in the shot putt and the discus, which allowed him to participate in the Illinois State Track Meet.

Tennis Sees Its Ups And Downs

"The depth and overall strength of this team helped us to make a good showing against the strong teams of the U.E.C.," said Mike Hayashida of the varsity boys tennis team who along with Gonzalo Torres, Don Abbs, Garrick Miller, Vith Truongquang, Steve Tecza, Blaine Kummer, and Todd Lange brought the team some nice wins on the varsity level. "Overall I felt we had a good season. We lacked in certain areas but had strong performances by each member of the team. We didn't do as well as we had hoped but we had a lot of fun and Milt's a really great coach," said senior player Todd Lange. The boys' varsity tennis team record was 6-6. The J V season was equally promising. They have many returning players for the new season

Varsity Season Disappointing

Larkin's Varsity team suffered through many injuries and bad breaks, coming up short of expectations. The loss of two starting pitchers for most of the season hurt the team defensively. Also, Coach Shabert was forced to shuffle players in the field, causing many players to field unfamiliar positions. This situation resulted in many crucial errors during important games. Offensively, however, the team improved over last year's Conference championship team. The team had a better batting average and hit more home runs. Leading the squad was Victor Arnold (All-Conference, .500+ batting average, 9 home runs) and Jim Haacker (All-Conference, 10 home runs).

Front Row: Scott Davis, Steve Mesmer, Vic Arnold, Ryan Genz (Toast), Jim Welch, Doug St. John, Steve Stutterger, Tony Lutz, Jon Puk, Jim Arnold, Second Row: Coach Lee, Eric Merkau, Mike Wall, Scott Lang, Lance Buhmann, Anton Kossakowski, Jim Haacker, Ed Johnson, Steve Wells, John Lutz, Coach Shabert.

Conference Champs Second Straight Year

Larkin's Sophomore baseball team was the conference champions for the second year in a row with an overall record of 23-4. "The 1986 Larkin Sophomore baseball team ended up with an overall record of 23 and 4. This was good enough for a second straight conference championship as well as the best record ever for a Sophomore baseball team in the school's history," commented Coach Dinkheller.

Freshmen Follow Sophomore Lead - Take Title

"We finished first in the league and had a great year. The team did well and they played some good baseball," replied Coach Nosbisch. The team's offense was their strength; they had good hitting and base running. The last game against Elgin, when they won conference, and the game against West Aurora when the team went into extra innings for the win were the most enjoyable games of the season. The freshman baseball team won conference with their overall record of 18-8-1

Hitting Home

With all-conference players Kristen Short and Kristen Johnson and all-conference special mention Kathy McConnaughay, the Varsity Softball team had a good season, ending 12-9. Kathy McConnaughay held the team's highest batting average, hitting .400 with 142 hits total. Although this was her first year of playing Varsity, she played every game. McConnaughay pitched well, walking no one in 8 games. Kristen Short was a unanimous all-conference pick, batting .391 with 21 stolen bases and a fielding average of 968. Also a unanimous draw was Kristen Johnson. She held the position of being lead-off hitter, batting .317, held the highest fielding percentage at 97%, and was an all-around team leader. The girls finished up 4th in conference

What A Hit!

J.V. Softball finished first in conference with a 19-3 record over all and a conference record of 15-2. The main reasons for the team's success were the girls' tough defense and their speed, which enabled them to steal many bases. The girls worked together as a team, and there was no one outstanding player. Said Coach Nothnagel, "This was a great group of girls to work with. We all had a lot of fun this season, and everyone got along well."

9-6 was the Freshman Softball team's final record. The girls played an outstanding game against East Aurora to beat them 33-10. They also had an exciting 7th inning victory over Wheaton Central, with the contest ending 14-12. Amy Sienko and Bonnie Hettinger were the two strongest team players. Sienko was the team leader in RBI's and had the highest batting average of the club. Hettinger was extremely versatile, playing 4 different positions though the course of the season.

1985-1986 Faculty

Dr. Brad Allison became our new principal here at Larkin beginning in November. Although he came here after school had already begun, he was well received. Throughout the year he was always around to listen to any suggestions or complaints anyone had. In February, he developed a new program where he took four students to the Loading Dock Luncheon weekly to discuss any suggestions or problems.

In October, the Faculty made the Homecoming festivities very enjoyable. A

lot of Faculty members showed their spirit by dressing up on various days. Also, at the assembly, Mr. Banwart and Mr. Butler brought Elvis Presley and Tina Turner to Larkin.

On February 19th the Larkin Faculty played the Chicago Bears in a fund-raiser basketball game sponsored by the Larkin Booster Club. The game was sold out and enjoyed by all, not only because of meeting the Chicago Bears players but mostly because they got to see the Faculty try to play basketball and cheerlead. The game

ended tied 95-95.

There were a few additions and subtractions to the staff this year. Second semester there were three new teachers: Mr. Anthony, Mr. Lee, and Mrs. Wharton. Some family additions were a boy to Mrs. Shedivy and a girl to Mrs. Rivera. Also, this year we were sorry to see Mrs. Muller, Mrs. Carrington, and Mr. Kuntzelman retire.

During the summer of this year, Mr. Jenkins and Ms. Reiser took students to Germany.

His owwie is our business

Treating an owwie or any minor injury shouldn't become a major expense. That's why we've reduced our charges for a minor emergency (excluding lab and x-ray fees) to \$30. But, most importantly, the quality of care hasn't been reduced. Board-certified physicians and trauma nurse specialists are on staff to care for you. And if the injury is more serious than you thought, we have the diagnostic and treatment facilities only a full service hospital can offer. Saint Joseph Hospital, located one-half mile off Randall Road and the U.S. 20 interchange, offers cost effective emergency care 24 hours a day, 365 days a year.
